

A photograph of two women in a retail store. The woman in the foreground is smiling and looking towards the camera. She has dark hair and is wearing a black vest over a white top with an orange patterned scarf. The woman in the background is looking towards the camera with a neutral expression. She is wearing a white collared shirt. The background shows a well-lit retail store with shelves and clothing racks.

BEAM

BEAM for Retail Industry - Store Maintenance Management Edition -

“Manage, Maintain, Schedule, Comply, Utilize, Assign, Budget, Cut Cost, Increase Productivity”

BEAM: Enterprise Asset & Maintenance Management System is the choice of smart retail companies.

Retail companies choose BEAM to reduce maintenance costs and ensure sustainability of sales operations and excellent customer experience.
